Government Degree college, Pithapuram

Department of Zoology

Date : 18-08-2023

Name of the Activity : **Distribution of Deworming tablets**

Name of the Resource Person : Principal Madam and Staff

No of Students Participated : 150 students

Brief Report

Government Degree College, Pithapuram, took a significant step towards promoting the health and well-being of its student community. on August 18, 2023 under the able leadership of Principal Madam and with the active participation of dedicated staff from the Department of Botany and Zoology, the college organized a “Deworming tablet distribution program”.

Deworming tablets were distributed to nearly 150 students, as an active measure to combat potential parasitic infections, which can have adverse effects on health and overall academic performance.

This activity reinforce the college's role in the community and its commitment to social responsibility - to ensure the all-round development of our students and their success in both academics and life beyond the classroom.

Clean and Green Programme Report - Pithapuram Degree College

Department of Zoology

Date - November 21, 2024

Programme: Clean and Green Initiative

Participants: B.Sc. Zoology (I & II Year) Students, Pithapuram Degree College

Faculty In-charge: Mr. B. Ahmad Ali Baba, Mr. M. Simhachalam

Introduction:

A Clean and Green Programme was organized by the B.Sc. Zoology (I & II Year) students of Pithapuram Degree College on November 21, 2024, under the guidance of faculty in-charge, Mr. B. Ahmad Ali Baba and Mr. M. Simhachalam.

Activities:

College Campus Cleaning: The students enthusiastically participated in cleaning the college campus. They collected litter, swept pathways, and ensured proper disposal of waste materials.

Awareness Campaign: Slogans and posters promoting cleanliness and environmental protection were displayed around the college. Students engaged in interactive discussions with their peers about the importance of a clean and green environment.

Conclusion:

The Clean and Green Programme was a success, fostering a sense of environmental responsibility among the students. The event not only cleaned the college campus but also raised awareness about the importance of maintaining a healthy environment.

Programme: Clean and Green Initiative - Earth Day Celebration

Department of Zoology

Report 2: Date - April 3, 2024

Participants: B.Sc. Zoology (I & II Year) Students, Pithapuram Degree College

Faculty In-charge: Mr. B. Ahmad Ali Baba, Mr. M. Simhachalam

Introduction:

In commemoration of Earth Day, on April 3, 2024, the B.Sc. Zoology (I & II Year) students of Pithapuram Degree College organized a Clean and Green Programme. The event was guided by faculty in-charge, Mr. B. Ahmad Ali Baba and Mr. M. Simhachalam.

Activities:

Neighborhood Cleanup: Extending their efforts beyond the college campus, the students, with proper permission from local authorities, participated in cleaning a designated public area in the vicinity of the college. This activity aimed to promote community engagement and environmental responsibility.

Plant Saplings are planted in the campus to promote greenery of the campus.

Conclusion:

The Clean and Green Programme, organized on Earth Day, served as an impactful environmental awareness campaign. The event not only served to clean public areas but also aimed to educate and inspire both the student community and the general public to actively participate in protecting and nurturing the environment.
